## EDUCATION

2021 - 2024

📍 **SMK TELKOM MALANG**

Rekayasa Perangkat Lunak

## EXPERIENCE

### Teaching Factory

Telkom DBT

During my time at Teaching Factory Telkom DBT, I had the opportunity to work as a front-end programmer in a team and individually. This experience has allowed me to hone my skills in collaboration, communication, and problem-solving, as well as develop my technical proficiency in front-end development.

### Internship

Telkom Indonesia ( PaDi UMKM )

During my six-month internship as a Frontend Developer at PaDiUmk, I honed my **Next.js** skills by designing and implementing responsive web interfaces. I translated design mockups into functional code, optimized web performance, and ensured cross-browser compatibility. This experience enhanced my proficiency in JavaScript, CSS, HTML, and agile development practices.

### Internship

PT Cubiconia Kanaya Pratama

During my internship at PT Cubiconia Kanaya Pratama, I worked with **Laravel** and **Next.js** to develop web applications, optimize backends, and enhance user interfaces. Collaborating with senior developers, I improved my web development skills and teamwork abilities.
